The above G.O. sanctioning the alienation of the site in S.No.432/6-C-2 of Bellary Town in favour of the Municipal Council, Bellary, was communicated to the Chairman of the Municipal Council,. The Chairman thereupon wrote to th Coronation Hostel Committee to deliver possession of the site with the buildings standing therein.. But the Hostel

2. The site in question has been in the possession of the Coronation Hostel Committee since 1912, having been assigned to the Committee for the construction of a Hostel - - called 'The Coronation Hostel'. In 1916 the [illegible] Gouna Maha Sabha, a private body consisting of some munificent Ediga merchants, built on a portion of the site, with the sanction of the said Committee, a Hostel intended mainly for students belonging to the Ediga Community. As the assignment of the site in favour of the Coronation Hostel Committee had been made without the formal orders of Government and without obtaining the written consent of the alienee to abide by the usual conditions of such alienation, the Revenue Divisional Officer, Bellary, was called on to submit formal alienation proposals. The - Revenue Divisional Officer, in the mistaken impression that the Coronation Hostel Committee was not a registered body and that it could be best represented in the circumstances by the Municipal Council, submitted proposals for alienation of the site in favour of the Bellary Municipality, instead of the Hostel Committee. These proposals were submitted to Government, and alienation was accordingly sanctioned in favour of the Bellary Municipal Council in G.O. quoted above. The Hostel Committee naturally objected to this alienation of a site in its possession on which a Hostel had already been built at considerable expense by private donations and refused to hand over the site or the Hostel to the Municipal Council. I enclose herewith a copy of the letter dated the 27th June 1925 of the Honorary Secretary of the Hostel Committee to the Tahsildar of Bellary, which explains the circumstances under which the site was assigned to the Committee and the Ediga Hostel came to be built on a portion thereof and the reasons for the Committee's refusal to transfer the site to the Municipal Council.

3. It has since been ascertained that the Coronation Hostel Committee is a registered body. This fact was not - brought to notice when proposals for the alienation of the site were submitted in favour of the Municipal Council, Bella

and it appears from Mr.Duff's order dated the 17th April 1925 (copy enclosed) that he was under the impression that the - Hostel Committee was not a registered body.

4. In view to an amicable settlement of the matter I held an informal conference with the Chairman of the Coronation Hostel Committee (Mr.J.P.Cotilingam) and its Honorary Secretary, (Dewan Bahadur M.Gopalaswamy Mudaliar) the Secretar of the Arya Ediga Gouna Maha Sabha and the Chairman Municipal Council, Bellary and as a result of this conference, it was - agreed that the Honorary Secretary of the Hostel Committee should place the matter before a special meeting of his Committee and report whether the Committee was willing to hand over the site in question together with the Hostel to the - Municipal Council, in case the latter agreed to abide by the conditions and to undertake the responsibilities which the - Hostel Committee had accepted with regard to the maintenance of the said Hostel when the latter was made over to it after completion by the Arya Ediga Gouna Maha Sabha.

5. The Hostel Committee at its meeting held on 10-2-26 has considered the matter and has resolved to request Government to cancel the alienation in favour of the Municipal Council, Bellary, and to alienate the site in favour of the Hostel Committee. A copy of the letter of the Chairman of the - Hostel Committee dated the 22nd February 1926 enclosing t h e resolution of the Committee is submitted herewith.

6. In the circumstances there are two courses open:-- (i) to grant the request of the Hostel Committee and cancel the alienation in favour of the Municipal Council and alienate the site in favour of the said Committee subject to the - - conditions set forth in the G.O. referred to above, or (ii) to levy ground rent on the site. As the site is being used for the purpose for which it was originally assigned and as the Hostel is not reserved for Ediga boys but is resorted to by - students of other communities, I recommend the former course. The Coronation Hostel Committee will doubtless agree to abide

by the same conditions as have been imposed in the G.O. on the Municipal Council and I shall obtain their formal resolution to this effect if Government approves of the recommendation.

In the year 1912 Dewan Bahadur M.Gopalaswamy Mudaliar Avergal as Secretary of the Corporation Committee

Collector for the grant of the land in question for the construction of a students' Hostel to be called 'Coronation - Hostel'. The site was accordingly assigned by the Collector in favour of the Coronation Committee and handed over to the Committee without a formal alienation and without imposing a specific conditions.

2. The entire extent of 1 ac.89 cents is required for the Hostel and its outhouses and also as a recreation ground by the students. The Coronation Hostel Committee has put up a compound wall on three sides of the land and the open space is being used by the inmates of the hostel for sports. Mr.Gopalaswami Mudaliar in his letter (copy enclosed) - assures me on behalf of the Committee that, should any public body or private person wish to build a hostel in this open - space at any time the Committee would welcome the proposal and afford all facilities for such construction.

3. He also states that students of all communities whether they belong to the Municipal High School, or the Wardlaw High School, or the Government Training School, are admitted into the Hostel free of rent, applications for admission being disposed of according to priority of application and status of the applicant.

4. The Committee does not derive any income from the site or from the Hostel and so the Secretary at first requested that the levy of groundrent might be waived. In his subsequent letter received today he says that the Committee is prepared to pay ground rent on the land in question at a concessional rate or if that is not possible, at the rate at - which the adjoining sites have been assessed. When submitting proposals for the alienation of the site in question in favour of the Bellary Municipality, the Tahsildar reported that the free hold value of the site was one ruppe a square yard and the ground rent on the site Rs.330-12-0. I consider this to be excessive. The Special Assistant Settlement - Officer when submitting his proposals for revision of ground

rents in the Bellary Town valued this site at Rs.3,000/- an acre and proposed a ground rent of Rs.12-8-0 an acre (Please see item No.186 of Appendix XVIII of the Special Assistant - Settlement Officer's report R.C.No.64, dated the 6th June 1923).

5. The site in question is situated between the Town Hall of Mr.K.Venkata Rao (item No.161) and Mr.P.Rama Rao's bungalow (No.160). The ground rent of Rs.12-8-0 proposed by the Special Assistant Settlement Officer for the sites of these two buildings was approved by Government in their order No.1663 Misc., Revenue, dated the 28th October 1924 communicated with Board'sReference No.F-596/23-10, dated the 14th November 1924. In view of the charitable purpose served by the Institution and in view of the fact that the Committee does not derive any income from it, I recommend that the site may be alienated in favour of the Coronation Committee subject to the payment of an annual ground rent of Rs.12-8-0 an acre. The Secretary of the Coronation Committee in his letter received today (copy enclosed) has expressed his willingness to pay ground rent at this rate.

6. The free hold value of the site is Rs.5,670/- at - Rs.3,000/- an acre and its value subject to ground rent is Rs.945/-

- - - -

REFERENCE.

Submitted to Government.

2. In their Order No.1808 Misc., Revenue, dated the 2nd November 1924, Government sanctioned the alienation of 1.89 acres in S.No.432/6-C.2 of the Bellary Town in favour of the - Municipal Council, for the construction of a Students' Hostel.

The Collector now brings to notice that the site has been in the possession of a Committee called 'The Coronation Hostel Committee' since 1912 and that a hostel was built on it by the Arya Ediga Gouna Maha Sabha, with the sanction of the Hostel Committee. He explains that his original recommendation for alienation in favour of the Municipal Council was made under the impression that the Hostel Committee was not a registered body and that it was best represented by the Municipal Council. The

Hostel Committee now represents that it is a registered - society and it desires to have the land in its own name and not in that of the Municipality. The Collector recommends its request and suggests that G.O.No.1308 dated the 22nd - November 1924 sanctioning the alienation in favour of the - Municipality may accordingly be modified.

The Board supports the Collector's recommendation. The alienation may be made subject to the same conditions as were imposed on the Municipal Council, except in regard to ground-rent.

3. The Collector proposes to levy ground rent at - - Rs.12-8-0 per acre. This is the rate ordered by Government for adjacent sites - vide paragraph 3 of G.O.No.1663 Misc., dated the 28th October 1924. The Committee is willing to pay ground rent at this rate, though it derives no income from the Hostel. The Board recommends that the alienation may be free of charge for the occupancy right, but subject to a ground rent of Rs.12/- per acre.

4. The sanction of the Government of India is necessary for the alienation under paragraph 6 of Boards' Standing Order No.24, as the Hostel Committee is a private body and the value of the land to be alienated exceeds Rs.1,000/-.

Reference.- Government Memorandum No.2693 A/26.1, dated the 31st July 1926.

Paragraph 1.

The following records of the Revenue Divisional Office, Bellary and of the Taluk Office, Bellary, are submitted.-

Revenue Divisional Office D.Dis.No.676, dated 9-4-1912.

Taluk Office D.Dis.No.728, dated the 6th April 1912.

Taluk Office R.Dis.No. 47, dated the 14th May 1912.

The Collector's office file D.Dis.No.831 dated th 28th February 1912 containing the correspondence on the subject has been destroyed, but a copy of the Collector's orde is

is filed in the Revenue Divisional Office D.Dis.No.676 dated the 9th April 1912. The Collector (Mr.J.A.Cumming) therein stated after personal inspection of the site that there was no objection to its being handed over to the Municipal Chairma.. The Revenue Divisional Officer, Bellary after ascertaining - that the land formed part of the village site ordered it to be handed over to the Secretary, Coronation Committee who happened to be also the Chairman of the Municipal Council, without - observing the formalities laid down either in B.S.O.No.21 - relating to house-sites or B.S.O.No.24 relating to alienation of state lands.

2. Paragraph 2(a) of the Memorandum. The Collector at first reported that the Mahasabha had no right of ownership - either in the site or in the buildings on it. As this report was apparently based on the letter to him dated the 20th February 1926 (copy enclosed) from the Secretary of the Coronation Hostel Committee in which the Secretary stated that the Committee was in possession of the site as well as the building, the Board asked the Collector to report whether the Mahasabha accepted the statement of the Secretary of the Hostel Committee and to obtain and submit the records in the possession of the Sabha - connected with the matter. The Collector accordingly made a reference to the Secretary of the Sabha on 21st October 1926. After a long delay the Secretary replied to the Collector stating that his Sabha was in the enjoyment and possession of the - buildings under the supervision of the Hostel Committee.

It will be seen that the Sabha claims no right in the site and does not appear to claim any definite rights in the buildings, being apparently content to work under the auspices of the Coronation Hostel Committee. The Sabha however paid for the buildings and seems to be prepared to spend more on them and to that extent it has at least a moral right to the buildings.

The letters from the Secretaries of the Sabha and the Committee are far from clear. The most obvious course

13

in the circumstances is to alienate the land to the Sabha, but that can only be done if it gets itself registered. In the alternative the Coronation Committee might alter its constitution so as to bring the Sabha ~~on~~ to the Committee or the Committee might induce the Sabha to hand over the buildings to it either absolutely or in trust.

The Board is asking the Collector to clear up the relations between the two bodies and arrange some 'modus vivendi' and a legal status which will permit alienation of the site to one or other of them and will make a further reference on the subject on receipt of the Collector's report.,

3. Paragraph 2(b) of the Memorandum. When the Board made its recommendation for the alienation of the site in favour of the Municipal Council, Bellary, the facts that the site was in the possession of the Hostel Committee and that a hostel had been built on it by the Arya Ediga Gownd Maha Sabha with the sanction of the Hostel Committee were not brought to its notice.

The question of the alienation of the site first cropped up when the Special Assistant Settlement Officer in the course of his enquiry about the revision of the rates of ground rent in Bellary town reported on 4th May 1922 that the conditions of the grant of the site in question were not known. In submitting the revision proposals the Collector pointed out that the Hostel was handed over to the Municipality in 1912 - vide Collector's letter D.Dis.No.C-2790/23-A.3, dated the 21st July 1923 disposed of in G.O.No.1663 Misc., dated the 28th - October 1924. This was evidently a mistake which can only be explained by the fact that Mr. T.Gopalaswami Mudaliar happened to be both the Chairman of the Municipal Council and the - - Secretary of the Coronation Hostel Committee in 1912. As no conditions were imposed at the time of the transfer of the site to the Committee, the Revenue Divisional Officer was asked to submit proposals for the alienation of both the land and the land revenue thereon. The proposals were submitted by the

Tahsildar in favour of the Municipal Council and the Revenue Divisional Officer forwarded them to the Collector without referring to his letter S.C.No.352 dated the 22nd August 1923 in which he had clearly said that the site was handed over to the Secretary, Coronation Committee.. This omission was not noticed in the Collector's Office either and the result was that the Municipality which was called on to report if it agreed to the conditions laid down in B.S.O.No.24 communicated its resolution dated the 10th March 1924 accepting the conditions. As an executive body, the Municipal Council at least ought to have brought to the notice of the Collector, that there were buildings on the site constructed and maintained by a private body and solicited further instructions. It is not possible to say whether the omission was intentional or not. There was, however, a change in the office of the Chairman in November 1923, Mr.Narayana Rao Garu succeeding Mr.Gopalaswami Mudaliar. The confusion appears to be the result of the following factors:-

(1) The Collector's order D.Dis.No.831 dated the 28th February 1912 directing the handing over of the site to the Chairman, Municipal Council.

(2) The Revenue Divisional Officer's order D.Dis.No.676 dated the 9th April 1912 directing the handing over of the site to the Secretary, Coronation Committee.

(3) The Special Assistant Settlement Officer's reference to the first of these orders (the Collector's) in his revision proposals relating to the fixing of ground rents.

(4) The fact that Mr.M.Gopalaswami Mudaliar held office both as Chairman, Municipal Council, and as Secretary, Coronation Committee prior to November 1923.

(5) The fact that although the hostel was originally intended for the Ediga boys it came to be used by students of all castes, which led to the idea that the hostel was a public institution.

In the circumstances, the Board considers it unnecessary to pursue further the omission on the part of the district officers to bring the fact of assignment and enjoyment of the site by the Committee and the existence of the buildings thereon to the notice of Government.

With reference to your favour No.A-1-4367/26 dated the 20th Instant I have the honour to state as follows:-

On a requisition, the Coronation Hostel Committee, allotted a portion of S. No.432/6-c-2 of Bellary town, for the purpose of constructing a Hostel for the use of Ediga - students in particular and others as well. The Aeya Ediga Gowni Maha Sabha undertook to build a building at a cost of Rs.15,000/- or upwards in the year 1913. Soon after its - completion it was appropriated for the purpose. Since then the building is in its possession and enjoyment under the supervision of the Coronation Hostel Committee. I am forwarding herewith copies of letters addressed to the Tahsildar of Bellary and the Collector of Bellary by the Secretary of the Coronation Hostel Committee which deal fully on the - matter. I am also informed that they have passed a resolution for having the alienation made in their favour or in favour of the Arya Ediga Gowni Maha Sabha and have forwarded it to you.

N.N./16-6-1927.

Copy of letter from the Secretary, Coronation Hostel Committee, Bellary, dated the 20th February 1926. to the collector of Bellary.

--

In pursuance of the communication R.C.No.5068/25, dated the 1st October 1925, the Coronation Hostel committee met and a copy of its proceedings is herewith forwarded.

The Committee requests that the alienation made in favour of the Municipal Council may be got cancelled as evidently the said alienation was recommended and granted on inaccurate information. The fact that there is a committee, it is a registered body, and tha it is managing the Hostel and the site have evidently not been take note of in suggesting the alienation in favour of the Municipal - Council.

The Committee regret that it did not see to the alienatio in its name at the very beginning as the permission by the then - Collector, who also laid the foundation stone for the hostel was - considered sufficient. Though it erred technically in not getting the land formally alienated in its favour, it ~~gx~~ regrets that the - authorities did not make enquiries before suggesting the alienation in favour of the Municipality.

The Committee is in possession of the site as well as the building thereon. So far as the hostel is concerned, it is being managed by the Secretary, Arya Ediga Gowna Maha Sabha with the - assistance of a Warden appointed by the Committee. The hostel - belongs to the Committee and is being supervised by the Committee As the hostel required repairs the Secretary of the Arya Ediga - Gowna Maha Sabha was asked to do it and to manage the Hostel for the Committee. The Secretary of the said Sabha M.R.Ry., K. Hanumanthappa is one of the members of the Committee. He was present at the meeting and voted for the resolution. It is not therefore accurate that the Committee ~~diverted~~ demised itself of its powers of management of the Hostel or other buildings or the site.

The Committee earnestly hopes that its just claims for the alienation will be recognised and prevent thereby many complications that would otherwise arise in the matter.

Under the above circumstances the Committee requests you

to write to the Government for the cancellation of the alienation ade in favour of the Municipality and to alienate the site in - favour of the Committee.

Thanking you very much in anticipation.

In reply to your note requiring information as to the Coronation Hostel Committee, I have the honour to inform you that

1. the Society has been registered.

2. Every year including the present year a return of the Office bearers is sent up to the Registrar of Joint Stock Companies.

3. The office bearers are the Secretary - that is myself - and five others who form the managing Committee. It transacts busin by meetings and circulation of papers -

4. It is to the Coronation Hostel Committee that the land was given for building a hostel for students.

5. The Committee induced the Arya Ediga Gowni Maha Sabha thrugl its Secretary Ediga Hanumanthappa to build a Hostel at its expens and handed over a portion of the land for the said purpose.

6. The said secretary Ediga Hanumanthappa built a hostel at a cost of Rs.20,000/-. The out-houses etc., were put up by the - Committee Preference has to be given to the members of the Ediga community for this hostel.

7. As no members of the said community used it, it is being use by students of all castes - Brahmins preponderating.

8. A warden is appointed to supervise the studies and comforts of the students. Mr.S.Narasimhulu a pleader of the local bar ha been the warden for the last few years.

9. I, as the Secretary of the said Coronation Hostel Committee have been paying the resident watchman from the beginning of the acquisition of site at the rate of Rs.5/- a month. The Committe furnished the rooms with the necessary furniture at enormous cost.

10. I, as the Secretary of the said Committee have been repairing for the last so many years. The students are afforded lodging free of cost. I tried also boarding arrangements for someyears but failed on account of difficulties of caste and funds.

11. The extensive hostel building which is already there with a well and out-houses are the property of the Arya Ediga Gowni Maha Sabha for whom the Committee are the trustees and the managers.

The Municipality and the present Chairman know these facts personally and he might have informed these facts to the Collector before attempting to get possession of the site and the hostel.

The Ediga Gowni Maha Sabha at my suggestion are raising subscriptions to endow the hostel so that it may have a perpetual income for its repairs and up-keep. I further understand that the Secretary, Arya Ediga Gowni Maha Sabha has forwarded to you all the papers showing the title deeds for the land and the building and other particulars.

I request you to forward this letter to the Collector so that he might know exactly as to how the matters stand and cancel the order of alienation. The Committee or the Arya Ediga Gowni Maha Sabha is willing to carry out any suggestions that may be made to make it even more useful than it is now. Any suggestion for re-organisation of the Committee is also welcome. It is highly undesirable that the site or the building should be handed over to the Municipality as it might use it for its exclusive use. It is to prevent such a contingency that a Committee was formed and the Committee sees to the hostel being used both for the boys of the Wardlaw High School, Municipal High School and the Government Training School and the site being used for a common play-ground. As no need was felt at any time for further extending the building or to put up an extra hostel, no attempts were made by the Committee for doing so. If the present Chairman wishes to be on the Committee he is quite welcome to be one of the Members. If the Municipality is willing to put up a hostel of its own for its exclusive use the Committee will be glad to welcome the proposal and place a portion of the site at its disposal. There has been no such attempt till now. It is a very remote contingency as it is not utilizing the grant to have a building of its own for its High School.

Letter from C.D.A. Crofton, Esquire, I.C.S., Collector of Bellary, No.Ref. C. 4367/26, dated 11th August 1927.

REFERENCE:-

In continuation of its Reference C.6288/27-3, dated 4-8-'27, the Board submits that the coronation - Hostel Committee ~~have~~ has agreed to the alienation of the

site in question in favour of the Arya Ediga Gowna Maha Jana Sabha. The Ediga Sabha has also agreed to the conditions of alienation specified in Government Order No. 1808 Mis., dated 22-11-'24.

2. In Board's Reference C.1994/26-2, dated 19-7-'26 it was recommended that the site of the Students' Hostel might be alienated in favour of the coronation Hostel- committee subject to a ground-rent of Rs.12-8-0 per acre, as the Hostel committee agreed to pay ground rent, though with some reluctance. The Ediga sabha now requests that the site may be alienated free of ground-rent as was previously sanctioned in the case of the Bellary Municipality, as the site will be used solely for charitable purposes. As the Sabha derives no income from the hostel and as it has agreed to levy no rent from the students occupying the hostel, the Board recommends that the site may be alienated in favour of the Ediga Sabha free of payment for occupancy right as well as free of ground-rent.

Alienation – land and Revenue – (Bellary) – Bellary town – S.Nos 432-6-C2 – Students hostel – Arya Vaisya Kshatriya Mahasabah.

In 1912 the Hon. Secy of the Coronation ~~Hostel~~ Committee, Bellary who was also the Chairman of the Bellary Municipal Council applied to the Coll: of Bellary for the grant of a plot of land i.e. S.Nos 432/6-C2 of Bellary town for the construction of a Students hostel. The Coll. communicated a copy of the application to the R.D.O. Bellary for necessary action with the remark that he had personally inspected the site with the Chairman and that there was no objection to its being handed over to the municipal

Chairman. The R.D.O. Bellary however in his progs dated 9-4-12. ordered (without observing the formalities laid down in Bs. 8. os 21 or 24) that the site should be handed over to the Secretary Coronation Committee and that necessary entries should be made in the village and taluk accounts. ~~In pursuance of this order~~ The Coronation Hostel Committee has been in possession of the site from 1912. It has put up walls on three sides of the land: and, with the sanction, a private registered association known as the Arya Vediga Gowda Maha Sabah has built in 1916 on the site a hostel intended mainly for the students of the Vediga community.

In 1924, on the recommendation of the Board of Revenue, the Govt: have sanctioned in G.O No 1808 Rev Dt 22.11.24 (a copy of which is enclosed) the alienation the same plot of land

to the municipal Council, Bellary for the construction of a students hostel subject to the terms & conditions specified in that order. At the time when the order was passed, the Govt were not aware of the facts stated in para 1 above.

2 The Board of Rev has now recommended that the order alienating the land to the municipal Council may be cancelled and that the land may be re-alienated to the Adya Sadhana Maha Sabah. The Board has reported that the Coronation Hostel Committee has agreed to the site being alienated in favour of the Sabah.

4 The Adv: Genl is requested to ~~offer his Opinion~~ advise on the following points:

(1) Whether the order of the R.D.O Bellary which was passed without observing the formalities laid down

either in B.R.O.S 21 or 24. Should be regarded as an order of outright assignment.

(2) whether in view of the R.D.O's order, the subsequent order of the Govt: alienating the land to the Municipal Council was void. and

(3) If the Govt: order alienating the land to the Municipal Council ~~was~~ holds good whether the Govt: may resume the grant now and alienate the land to the Sabah as recommended by the Board of Revenue

Ref:- Memorandum No. 2693 A-26-3 Dated 19th September 1927, Revenue Department.

I take the grant of land in 1912 to be in favour of the Coronation Committee and not in favour of the Municipal Chairman. The application was by the Coronation Committee through its Secretary who happened to be also municipal chairman at the time. Whatever might have been the District Collector's idea, the granting officer was the Revenue Divisional Officer and he made the grant in favour of the Coronation Committee. The municipal council was not consulted, possibly because it was assumed that the municipal council had no objection as the chairman himself was the applicant though in the capacity of Secretary to the Coronation Committee. But the omission to observe the due formalities does not make the grant illegal. Says Sir V. Bashyam Iyengar in 26 Madras 742 at pages 753-4.

> "The District Judge apparently considers that the grant would be void by reason of the Tahsildar not having consulted the municipal council before making the first grant. If the rule had provided that no grant should be made without the previous sanction of the municipality, the grant would no doubt be invalid in the absence of such sanction. That would be a delegation by the Government of its power under 22 & 23 Vict., Chap. 41, not to one officer alone but to him jointly with another body. But if the authority is delegated solely to the Tahsildar and he is enjoined in acting within the scope of his authority to consult the municipal council and either adopt or reject its advice, the grant would be valid as one made within the scope of the authority of the Tahsildar though he did not observe the regular procedure

of

of consulting the municipal council before making the grant. In Periaroyalu Reddi v Royalu Reddi it was held that a grant made under the darkhast rules was not invalidated by reason that the officer making the grant did not follow the procedure prescribed by the darkhast rules as to the publication of the application in the village by beat of tom tom etc. Any other view will lead to infinite confusion and convert all darkhast rules into rules enforceable by civil courts, when - there is any question as to the validity of a grant or of its revocation by a superior appellate authority. For instance paragraph 5 of Standing Order No.15 (New Edition) prescribes the procedure to be followed on receipt of - application, that is, that it should be referred to the village authorities for report, that the fact of application should forthwith be published in the village by beat of tom tom and that the Tahsildar should consider the village officer's report etc. Paragraph 8 prescribes some rules of preference when there are two or more - applicants. If an appeal against the Tahsildar's action were provided by the rules, the departmental appellate authority may no doubt set aside the grant by reason of the subordinate officer not having observed the formalities prescribed by the darkhast rules or for any - other reason, notwithstanding that the granting officer acted within the scope of his authority. If no appeal be provided for or if an appeal be not preferred, can a civil court hold that the Tahsildar's grant does not bind the Crown on the ground that by reason of his not having strictly followed the procedure or the rules of preference among applicants he exceeded his authority and acted beyond its scope? If it were competent to a civil court to do so it would be equally competent to it in the case of a grant which has been confirmed on appeal or superseded by a grant to a rival applicant as entitled to preference to set aside such grant on

the

the ground that the appellate officer also acted in excess of his authority, in confirming a grant made by the Tahsildar without strictly observing the prescribed procedure and the rules of preference or in making a fresh grant, giving preference to a rival applicant. Unless the distinction between so much of the rules as is really in the nature of a power of attorney defining the scope of the authority of darkhast officers and the rest which are really in the nature only of instructions to such officers while exercising the power conferred upon them, is fully recognised and enforced, the entire body of darkhast rules will become unworkable in civil courts".

On this view it was not open to the Government to make a grant in 1924 of the land which they had already granted in 1912.

If the grant was made to the Municipal Council under a mistake of fact, whether induced by misrepresentation or not, the Board of Revenue has the power to cancel the grant under Rule 14 B of Boards Standing Order 15. -- Whether the Board will passthat order it is for them to consider. If however it is possible to settle the matter in consultation with the municipal council it will be better. Otherwise notwithstanding the Order of Government the municipal council may raise a contest on the ground that the grant of 1912 was irregular and invalid, that the grant to the municipal council was valid and that the order of cancellation now passed is also invalid though in my opinion they will not come out successful in such a contest.

Alienation — Land — (Bellary) — Bellary Tq — S. No 432/6 c2 — Students Hostel

—

Board's Refce No 1994/26.2 Dt 19.7.26

To U.S

An extent of 1.89 acres in S. No 432/6 c2 of Bellary town was alienated by the Govt in G.O No 1808 Rls Dt 22.11.24 in favour of Bellary Municipal Council for the construction of a Student's Hostel.

2 When the Board recommended the alienation, there was no reference in its report to the existence of any buildings on the site or the occupation of any part or portions of the site by any other public or private body. But from the Govt's present reference, it is seen

(a) that the site had been assigned in 912 without any conditions to a Committee called "Coronation Committee for the construction of a ~~Hos~~ Students' Hostel called "Coronation Hostel.

(b) that a private ~~body~~ association called "Arya Ediga Granna Mahe Sabah" constructed in 1916 with the sanction of the Coronation Committee a Hostel thereon intended mainly for the

students of the Erdiga Community.

(c) that the H. Colonisation Committee have put up walls on three sides of the land

(d) that the Committee has been in possession of the site since 1912.

3. In these circumstances, the alienation of the site to the Municipal Council was apparently irregular. The Collector explains that his original recommendation was made under the impression that the Hostel Committee was not a registered body, and that it was best represented by the Municipal Council. But the Hostel Committee represents that it is a registered body and desires to have the site in its own name and refuses to vacate the site.

4. The Collector & the Board recommend that the original alienation order may be modified, and that the site may be alienated to the Committee on the same conditions as were imposed on the Council in the original order. The Collector says that he will obtain the consent of the Committee to abide by the conditions if the Govt approve his recommendation.

5 Before accepting the Board's recommendation, it has to be decided (a) whether the original assignment order is valid and still holds good, (b) and whether the Erdiga Maha Sabha acquired any

There was no formal order assigning or alienating the land.

(B) Under section 126 of the Transfer of Property Act read with section 19 of the Indian Contract Act it may be cancelled: But to avoid the possible objection that the Transfer of Property Act does not apply to crown grants and that the provisions of the crown grant take effect according to their tenor, the grant may be resumed under the powers in clause 3 of the alienation order, as required for a public purpose.

Ep 19/7/27 Please see pages 1-5 h.f.
The matter is not so simple as the Supt. makes out. The Divisional Officer ordered that the Tahsildar should hand over the site to the Secy. of the Coronation Committee, although the Collector contemplated its being handed over to the Municipal Chairman. This order of the R.D.O. might be regarded as an order of assignment, especially as it mentioned "entries in Taluk and village accounts". The site is now occupied by a Hostel constructed with the sanction of the Coronation Hostel Committee
If the original order of the R.D.O

is regarded as an order assignment outright, it appears that the order of alienation (G.O 1808 dy 22.11.24 - H) was void, and that the Govt. are concerned only with the collection or alienation of ground rent.
If the order of alienation, however, holds good, the question is whether the grant may be resumed and another order of alienation made.
The Advocate General may be consulted on these points.

Please see O.M on page 31 to 32 C.F. and the Adv. Genl's opinion on pages 33 to 35 C.F. The points on which advice was asked are examined below:-

(1) Whether the order of R.D.O Bellary will be regarded as an order of assignment. The Adv. Genl states that it was not open to Govt to make a grant in 1924 of the land which they had already granted in 1912. The Adv. Genl seems therefore to hold the view that the grant made in 1912 was a valid grant. p 35 C.F.

Yes RS 30.10.27

(2) Whether the order of alienation to the Municipal Council was void. The Adv. Genl states that if the order has been passed under a mistake of fact the Order can be revised by the Board under para 14 B of-

B.S.O ~~15~~ 15- The authority quoted is not clear - Perhaps he refers to the provision in para 19 of B.S.O 15- If so, it is not applicable in this case as the land has been alienated to the Municipal Council under B.S.O 24 - and not assigned under B.S.O 15-

The ref to the BSO seems irrelevant. The Board cannot revise the order of alienation as it was passed by the Govt. MMM 30.10.27.

(3) Whether the Govt may resume the grant to the Council and alienate the land to the Sabha

The Advocate Genl is of opinion that it will be better if the matter can be settled in consultation with the Municipal Council.

2 In view of the Adv. Genl's opinion it is for orders whether the Board may be asked to ascertain and report whether the municipal Council has any objection to the cancellation of the order in view of its having been passed under a mistake of fact.

CRP 22.10.27

The Advocate General has not given a definite answer to qn. No (2) on p. 32 ante whether the order of alienation was void. But, in view of the opinion which he has given, the Govt may decide that the order of the Ker. Divisional Officer was an order of assignment i.e. the land was assigned to the Sivathaya Committee. That being so, the order of alienation may be formally cancelled as void. It appears

from the Board's report on page 7-28 (i) that the Commission minister is right to hand over to land to the Sikhs. They can do so. All that the Govt. are concerned with is the revenue payable on the land. This can be deducted or eliminated in the case. In this case, the ground rent payable may be eliminated after the land has been formally transferred to the Sikhs or the Sikh Committee

No. 2281, dated 14 — 11 — 192 7.

In 1912 the Revenue Divisional Officer, Bellary, granted a plot of la measuring 1.94 acres in S. No.432/A of Bellary town, Bellary taluk, Bellar district, to the Coronation Committee, Bellary, for the construction of a students' hostel. The Committee was in possession of the site from 1912. It put up walls on three sides of the land. With its consent in 1916, a private registered association known as the Arya Ediga Gouna Maha Sabha built on the site a hostel intended

mainly for the students of the Ediga community.

2. In 1924 the Board of Rev. recommer the alienation of the same site to the Municipal Council, Bellary, for the cons truction of a Students Hostel, without bringing to the notice of the Govt. th fact that the land had been previously assigned and was in the possession of the Coronation Committee. In G.O. No. 1808 Misc. dated 22-11- 24 the Govt. san the alienation of the site to the Municip Council. · 1808 Mis. d. 22-11-24

3. The Board has now recommended t he order alienating the land to the Municipal Council should be cancelled and hat the land should be alienated to the rya Ediga Gouna Maha Sabha. The Board lso reported that the Coronation Committ s willing to hand over the site to the abha. F. and p.28 C.F. 7 C.F.

4. In the circumstances now reported he Govt. formally cancel as ~~void~~ altra vires the orders issue 1 G.O. 1808 Rev. dated 22-11-24 alienating

the land to the Municipal Council, Bellary, as the land in question was not at the disposal of the Govt on the date of the order.

5. As the land was assigned in 1912 all that the Govt. are now concerned with is the ground rent to be levied on it. The question of alienati the ground rent will be considered by the Govt. only after the land has been properly transferred by the Coronation Committee to the Arya Ediga Gouna Maha Sabha. The Board of Revenue is requested to issue instructions accordingly.
